SERVICES / RETAIL									The services PMI continued its downward trend in December. The index fell back to 56.3, a 13-month low, although it remains consistent with good growth Volatile services index slipped in November, with the pace of YoY growth easing to 10.8% New car sales down by 4.4% in 2018. However, the decline was more than offset by imports of used cars, primarily from the UK Core retail sales lost some momentum in October/November, rising by just 0.3% on Q3 levels. This sees the YoY growth rate decline to 1.9%
